OFFICE NOTE.

Subject.

Contribution towards the cost of constructing a compound wall round the Roman Catholic burial ground at Kolar

The Dy Comr of Kolar in his letter dated 12th April 1894 No 3677/871 No 3677/871 stated that out of an estimated cost of Rs 92-8-0 on account of a compound wall to be put up round the R Catholic grave yard at Kolar, Rs 30 would be met from private contributions and recommended that the balance, Rs 62-8-0 might be ordered to be disbursed from Provincial funds, as a grant of Rs 1042 was made from "Imperial funds" for a similar building at Tumkur in 1872.

Letter to the Supt Chandedroog Dn No 632 Dy 11/4/72 from D.P.W.Sy

In reply to an enquiry from this office the Dy Comr states that the burial ground being used by the residents of the Kolar town and the D. J Board was by other not consulted and that the Municipality are willing to contribute Rs 31-4-0 a moiety of the net cost after deducting the subscriptions expected Submitted for orders as to whether the Dy Comrs proposal may be sanct

and he be asked to point out the source in the current year's municipal Budget of Kolar, from which the charge can be met.

Recently when an application is received from a Protestant missionary for contribution towards the construction of a compound wall round a cemetry in the Cuscoor road, the municipality of the Bangalore City made a contribution of Rs 150 and the Dewan declined to sanction any sum from Provincial funds

Submitted for orders.

Subscript
Sanctioning the proposal of the Board. There is a great deal of difference between the two cases The possession was cemetery is outside our jurisdiction & the Govt of India's rule prohibits payment from Provincial funds alone.

If the Municipality is bound to provide burial places for all classes, the whole cost of fencing the burial ground in question would be borne by the Municipality. Under the circumstances of the Defence of the Cantonment I am not inclined to consider the costs proposed to be shared by the Municipality

27/7

Sir There is no law under which Municipalities are bound to provide burial places for all classes. Paras 13 to 17 of rules for the Conservancy of small towns & villages published at page 78 of the Revenue Circulars do not make it obligatory on Municipalities to provide such burial places

No 3677

Dated the 12th April 1894.

To

The Chief Secretary to the
Dewan of Mysore

Sir,

I have the honor to state that the Revd: J.-H.- Frayssé, M.-A., Catholic Priest, Kolar Gold Fields, brings to notice that the Catholic grave yard at Kolar is badly in need of an enclosure which the few Catholics living in the town are too poor to put up at their own expense and applies for Government help in the matter.

2. There is a precedent of Government having in the Secretary to the late Chief Commissioner's Docket No: 632 of the 11th April 1872 to the address of the Superintendent, late Wandiwash Division sanctioned an estimate amounting to Rupees 1042/- from the Imperial funds for constructing a wall round the Roman Catholic cemetry at Sambur.

(copy enclosed for ready reference)

3. The cost of enclosing the Catholic grave yard at Kolar is estimated at Rupees 92-8-0 by the Priest who promises to raise a contribution of

Rupees 30 towards the object.

4. I beg therefore to recommend that a grant of Rupees 62-8-0 may be sanctioned by Government for the purpose.

I have the honor to be,

Sir,

Your most obedient Servant,

Deputy Commissioner
Kolar District.
